To Whom It May Concern:

I am delighted to be called upon as a reference for Rishabh Jain. I have had the very good fortune of working with Rishabh Jain as an actor for the Prague Shakespeare Company. From my first dealings with Rishabh, his artistry, compassion, attention to detail, enthusiasm and infectious energy insured that he is an artist I am eager to work with whenever possible.

I believe that Rishabh is an excellent candidate for your projects and artistic work. Mentally, he possesses a penetrating intellect and inquisitive instinct enhanced by his sensitivity to on set, performance, classroom, and rehearsal dynamics – qualities that are essential for today's artists. During my entire working experience with Rishabh, never once was he anything less than the epitome of professionalism and grace under pressure. As an actor, Rishabh possesses an easy-going confidence and deep creative insight with a playfulness, rigor and passion that creates safe spaces for the rest of the team to experiment boldly and confidently.

His ability to connect with artists is especially impressive. He displays remarkable sensitivity to the myriads of potential challenges and rewards regarding working with students and professionals of all identities, races and orientations. Rishabh's clear and direct communication skills coupled with an ability to adapt his style, communication and behavior to fit the needs of the production and classroom distinguishes him among his peers. One of his greatest strengths as a collaborator with colleagues and students both is his ability to bring the best out of everyone he works with, while still maintaining his own unique artistic performances and discoveries.

Rishabh expertly and efficiently merges into any set, teaching, rehearsal and performance dynamic and always executes his work in a non-confrontational, direct and wonderfully effective manner. I have no doubt he will perform all his expected tasks with equal excellence and distinction for you as he has done with Prague Shakespeare Company and in the Czech Republic.

Rishabh Jain is an outstanding asset for your endeavors. For these reasons, I give Rishabh Jain my highest recommendation. If I can be of further help, do not hesitate to email me at [guy@pragueshakespeare.org](mailto:guy@pragueshakespeare.org).
